### **HISTORY**

Filá Espanyoletos was founded in 1903 (the youngest of all filaes), although most of its founders had belonged to the missing of the Old Spanish filaes and Tomasino. Thanks to them this fila Espanyoleto inherited all the rights and duties as parades go first, also its captain is the captain of the Christian side, and Ambassador Christian is accompanied by this fila. Furthermore, this fila is responsible for maintaining the San Blas Script in the procession of the day February 3.
