HISTORY

The *Filà of Contrabandistes* was included in the festivities, during the War of Independence, and that in those days, to fight the French, created all the sites the "Parties" or "crews" of bandits i smugglers, it follows that that speech was undoubtedly the reason that will serve as inspiration to create filaes of smugglers in towns like ours.

The *Filà* was very modest in its beginnings as regards the number of components. This prompted many of them paid the party is impossible, and went away from the row to go to extremes truly alarming. As things were difficult for those pioneers smugglers, the *Filà* came to consist only of nine members.

In 1915 completely changed the physiognomy of the *Filà* and the increase of new members joined the reform dress was smuggling in some of the pieces giving more vibrant and colorful embroidered with beautiful patterns and interspersed in the dress corduroy, identical
