HISTORY

The Filá Terç of Suavos was founded in 1867 by a group of friends, overcoming all difficulties of that time. At first it was called "Suavos Pope's" going to be called later as is known today.

Currently, and after passing through different locations, the Maset is located in the Square of San Blas, no. 3. It's a filá very numerous, actually has more than 350 components.
